

1. Log in to Microsoft Learn

- Visit <https://learn.microsoft.com/en-us/>
- Click **Sign In** at the top right corner and log in using your Microsoft account.

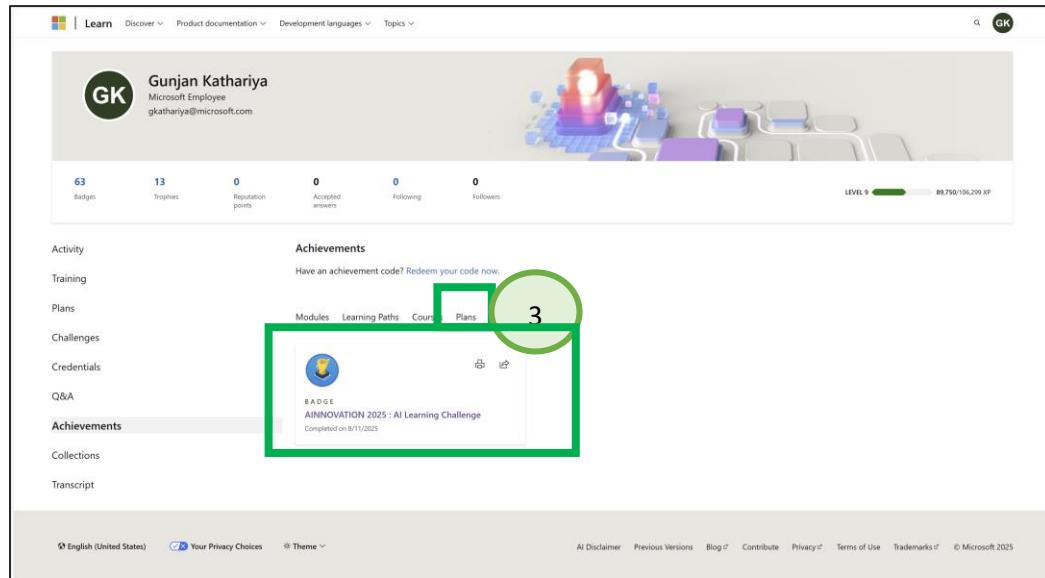

2. Access Your Achievements

- Once signed in, click on your profile icon (top right).
- Select **Profile** from the dropdown menu.
- Navigate to the **Achievements** tab.

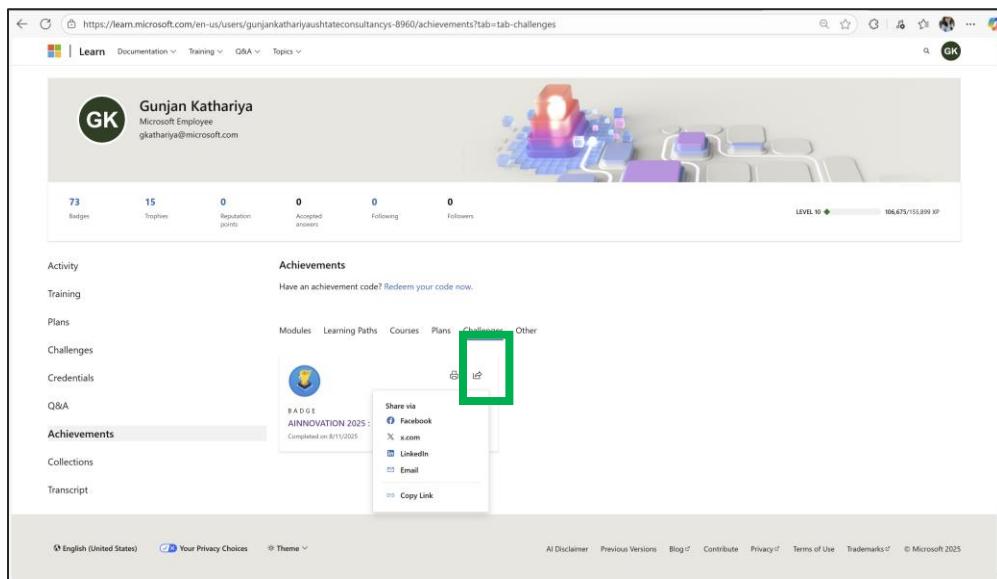

3. Locate Your Badge

- Under **Achievements**, click on the **Plans** section.
- Find the badge for the track you completed (e.g., *AI Innovation Challenge*).

The screenshot shows the Microsoft Learn profile page for 'Gunjan Kathariya'. The 'Achievements' section is highlighted with a green box. Inside this box, a badge for 'AI INNOVATION 2025 : AI Learning Challenge' is displayed, with the number '3' indicating the count of achievements in this category. The badge image shows a blue shield with a white 'AI' icon.

4. The badge can be shared by clicking on the “**Share icon**”. It is possible to share it via Facebook, X, LinkedIn, or email.

The screenshot shows the Microsoft Learn profile page for 'Gunjan Kathariya'. The 'Achievements' section is highlighted with a green box. A sub-menu 'Share via' is open, showing options: Facebook, x.com, LinkedIn, Email, and Copy Link. The badge for 'AI INNOVATION 2025 : AI Learning Challenge' is visible in the background.

5. Print Your Certificate

- Click the **Print** icon next to the badge.

6. In the print dialog, choose **Save as PDF** to download your certificate.

A Microsoft achievement certificate for Gunjan Kathariya. The certificate is framed by a blue circuit board pattern. It features the Microsoft logo, a gold trophy icon, and the name 'Gunjan Kathariya'. Below the name, it states 'has successfully completed' and 'AINNOVATION 2025 : AI Learning Challenge'. The date 'August 11, 2025' is listed, along with a handwritten signature and the name 'Satya Narayana Reddy'.
