

# AI Skills for the Building Trades

North America's Building Trades Unions (NABTU) and Microsoft Elevate are working to build AI skills across the construction workforce.

## Build practical AI skills

Complete a LinkedIn Learning course and earn your certificate!

### AI COURSES

#### AI Foundations for the Skilled Trades:

Getting Started with Generative AI and Copilot

[aka.ms/AIforTradesWorkers](https://aka.ms/AIforTradesWorkers)

#### AI Fluency for Trades Educators:

Using Generative AI and Microsoft Copilot in Apprenticeship Training

[aka.ms/AIforTradesEducators](https://aka.ms/AIforTradesEducators)

**Empowering** staff, journey-level workers and apprentices to use AI responsibly and confidently

**Shaped by the needs of the skilled trades**

Courses introduce generative AI using practical, real-world jobsite scenarios and skilled trades contexts

**Aligned to nationally recognized standards**

Courses reflect the U.S. Department of Labor's AI Literacy Framework
