

UK Product Security and Telecommunications Infrastructure
(Security Requirements for Relevant Connectable Products)
Statement of Compliance

We, Microsoft Corporation, as the manufacturer, declare in our opinion and under our sole responsibility, that Surface Laptop 5G for Business 7th Edition, Model Number 2119, complies with the applicable requirements specified in Schedule 1 of the UK Product Security and Telecommunications Infrastructure – Security Requirements for Relevant Connectable Products (2023).

The defined support period for Surface Laptop 5G for Business 7th Edition, Model Number 2119, at the time the product was initially placed on the market on August 26th, 2025, is August 26th, 2031.

Security updates for the device are provided through the applicable Windows Operating System updates provided to users at a regular cadence. Security updates include device driver and firmware updates.

Surface Devices Driver and Firmware lifecycle updates and support periods are published by Microsoft at aka.ms/SurfaceEOS.

Windows lifecycle updates and support periods are published by Microsoft at aka.ms/windows-lifecycle.

Security vulnerabilities can be reported at aka.ms/report-issue.
