

UK Product Security and Telecommunications Infrastructure
(Security Requirements for Relevant Connectable Products)
Statement of Compliance

We, Microsoft Corporation, as the manufacturer, declare in our opinion and under our sole responsibility, that Surface Pro LTE (5th gen), Model Number 1807, complies with the applicable requirements specified in Schedule 1 of the UK Product Security and Telecommunications Infrastructure – Security Requirements for Relevant Connectable Products (2023).

The defined support period for Surface Pro LTE (5th gen), Model Number 1807, at the time the product was initially placed on the market on December 1, 2017, is January 15, 2024.

Security updates for the device are provided through the applicable Windows Operating System updates provided to users at a regular cadence. Security updates include device driver and firmware updates.

Surface Devices Driver and Firmware lifecycle updates and support periods are published by Microsoft at aka.ms/SurfaceEOS.

Windows version (identified under System Settings of the device) specific lifecycle updates and support periods are published by Microsoft at aka.ms/windows-lifecycle.

Security vulnerabilities can be reported at aka.ms/report-issue.
